Dear Parents/Guardians of Winmalee Band Members and future Music Ensemble Members,

Welcome to the Winmalee High School extra-curricular music programs for 2024. It has been well documented that the study of music has enormous benefits on all areas of academic success. We look forward to welcoming new students and returning students into this year's programs and assisting in their ongoing musical development. The aim for 2024 is to have all ensembles perform at a variety of events throughout the year both at school and within the community.

It is our philosophy at Winmalee HS that music is a long-term activity. Although we encourage fun and enjoyment in the music programs, it is important that students realise that success and fun comes from regular practice, hard work, and perseverance. **This is why we expect that students who sign up for the extra-curricular music program commit for the full year.**

EXTRA-CURRICULAR MUSIC STRUCTURE

1. **CONCERT BAND** The Senior Concert Band works on developing skills beyond an elementary level through to an advanced level. *(Students are required to attend a weekly band rehearsal and tutorial. These are held on Tuesday and Wednesday mornings starting promptly at 7.40am)*
2. **JAZZ BAND** -This ensemble is aimed at those students who would like to extend their ability and experience a contrast in musical styles to that of the Concert Bands. Membership is by invitation only. (Thursday afternoons 3.00pm - 4.00pm) No additional cost if you are in the school's concert band.
3. **VOCAL GROUP** -There are two Vocal Groups. The larger of the two is an all-inclusive ensemble open to all students. The smaller Vocal Ensemble is a select group of students who can join by invitation only. (Monday afternoons from 3pm)
4. **GUITAR ENSEMBLE** - This ensemble caters for guitarists at a range of playing levels from beginner to advanced. (Monday mornings starting promptly at 7.30am)

SECTIONALS

We are very fortunate to have all our sectionals taught by professionals in the music industry. As a result, our tutors teach explicit skills and techniques in their chosen instrumental field. Students will be expected to complete regular practice in their own time to further enhance their musical development.

FEES

The payment of fees is vital to the success of the Band/Instrumental Program. Therefore, payment of all fees is extremely important. Every dollar of tutor/ instrumental fees paid is invested into the music programs. Without the fees system, tutors could not be employed and resources such as larger band equipment, sheet music, music stands, etc would be very limited. Quality tutors and adequate resources are integral to the long-term success of the Instrumental Program at Winmalee High School.

The instrumental fees can be paid by the term, in full or by regular payments. If there are any financial difficulties, please do not let this deter you from joining or continuing with one of our instrumental programs, instead you are encouraged to contact Mr McGown to discuss alternative payment methods.

Ensemble	Yearly Rate
Band	\$460 (\$115.00 per term)
Year 12 Students	\$390 (per year)
Jazz Band	\$220 (This fee does not apply if you already participate in concert band)
Vocal Group	\$50 (per year)
Guitar	\$360 (\$90 per term)

OTHER EXPENSES

INSTRUMENT HIRE

Some students may wish to hire school owned instruments from the music department. The cost of hiring a school instrument is \$30 per term. Available instruments are limited, and preference is given to students starting in the band program. If you wish to hire a school owned instrument you will need to see Mrs Fox for a hire agreement form and more details.

INSTRUMENT PURCHASE

If you wish to purchase an instrument, 18-month interest free purchase plans are available from some reputable music stores such as Engadine Music (Engadine) and Sax and Woodwind (Camperdown). Often, we can get further discounts through the school. If you are interested in this offer please come and speak to either Mr McGown or Mrs Fox in the Music Staffroom.

PRIVATE TUITION

We are very fortunate to be able to offer private instrumental tuition during the school day. We have professional tutors of the highest calibre teaching our instrumental lessons. Through our experience, we know that students who receive private music lessons progress more quickly and get more enjoyment from the school's music program. Our lesson prices are very competitive and are often much lower, over the whole year, than other music schools and private tutors in the local area. Currently we have lessons in all woodwind and brass instruments. (Please fill out the separate Private Instrumental Lessons form if you wish to take up this opportunity)

Yours sincerely,

V Facas (Principal)

C. McGown (Head Teacher CAPA)
