

Winmalee High School - Assessment Schedule

The calendar below is designed to provide parents and students with a guide as to the timing of formal assessment tasks in Semester Two, 2022. Full details of the tasks are contained in the Assessment Task Notifications which are issued to students with take-home assignments or prior to class tasks/exams. The calendar is a guide only as sometimes changes may occur due to unforeseen circumstances. For example, the timing of History tasks will vary according to when the class has the subject. If changes occur, notification is given to the students involved. Please see the 'Sentral for Parents' app or the school website for copies of take-home tasks and notifications. Mandatory Technology, Visual Arts and Drama tasks are completed in class in regular lessons over the term.
