## PARENT INFORMATION

**To register** with JobJump, go to the front screen of the website at [www.jobjump.com.au](http://www.jobjump.com.au)

Then in the top right hand side click **'I'm New'**

To begin, **type the first couple of letters** of your school's name in to the first white box and when the full name of your school appears in blue on the screen, simply click on it and it will enter into the first box. Then enter in the next box your School's Password exactly as you see it here with no spaces and all lower case letters:

**school password enter here**

There are a few more quick questions and then you are underway to access the site and utilise all of the features listed below. When Careers news does occur related to your son/daughter's interests, it will be emailed to you all the way through their high school years **plus an extra year after their Year 12.**

You can select as many careers as you like from the listing of 112 careers.

If you can't find the career they like from the list, select a career which is in the field they like. For example, they may like the field of Tourism because they like travelling and the idea of having a career in the Tourism industry is not a bad idea. In the listing select 'Travel Agent' because all Tourism careers news will come to you. We also send each week a Careers News Bulletin with all of the current news parcelled into the subject areas taught in your school. This is perfect to help your son/daughter in their career options since you know what subjects they enjoy and in which they do well. Ask your Careers Adviser for this.

**Once you have registered, you can also use all parts of the website to enjoy all of the following:**
