Now one of the most performed shows in America, SEUSSICAL is a fantastical, magical, musical extravaganza! Tony winners Lynn Ahrens and Stephen Flaherty (Lucky Stiff, My Favorite Year, Once On This Island, and Ragtime) have lovingly brought to life all of our favourite Dr. Seuss characters, including Horton the Elephant, The Cat in the Hat, Gertrude McFuzz, lazy Mayzie, and a little boy with a big imagination--Jojo. "Oh, the Thinks You Can Think" captures the show's spirit of imagination, as the colourful characters transport us from the Jungle of Nool to the Circus McGurkus to the invisible world of the Whos.

The story centres around Horton the Elephant, who finds himself faced with a double challenge--not only must he protect his tiny friend Jojo (and all the invisible Whos) from a world of naysayers and dangers, but he must guard an abandoned egg, left to his care by the irresponsible Mayzie La Bird. Although Horton faces ridicule, danger, kidnapping and a trial, the intrepid Gertrude McFuzz never loses faith in him, the only one who recognises "his kind and his powerful heart". Ultimately, the powers of friendship, loyalty, family and community are challenged and emerge triumphant in a story that makes you laugh and cry.
