

WINMALEE HIGH SCHOOL

Year 9 & 10 SPORT

Sport at Winmalee High - our expectations and culture:

- Safety for all students
- Positive representation of our school in the community
- Participation and enjoyment
- Regular Attendance
- Procedures followed for leaving early

UNIFORM

Students leaving school grounds to participate in Grade or Recreational sport must be in full school sport uniform. Students are representing our school and being in uniform is compulsory to participate.

EARLY LEAVERS AND ATTENDANCE

Attendance is compulsory unless there is a justified reason. If an early leavers pass is requested, this needs to be sought in writing before school. Students will need a leave pass from student services at the school. No late text messages or emails will be accepted. Parents/carers can collect students from school if there is an urgent situation or extenuating circumstances.

SPORT FEES

Please check the permission note for arrangements for payment. Grade Sport fees are generally paid to the front office and most recreational sport costs are paid directly on the bus and at the specific venues.
