Frequently Asked Questions

Q. Can I purchase a plain maroon jumper for junior student uniform or a plain black jumper for senior students?

A. Yes, these items can be purchased outside of the uniform shop. The jumpers need to be plain with no other logos.

Q. What are the requirements for school shoes?

A. Shoes should be leather/suede, enclosed and predominantly black. To meet department Work Health and Safety guidelines, enclosed leather footwear needs to be worn, most importantly in Industrial Arts, Science Labs and Food Technology.

For PE and Sport, a supportive sport shoe/sneaker of any style or colour can be worn.

Q. Can students wear tracksuit pants?

A. Students can wear the grey microfibre trackpants or the school maroon microfibre tracksuit pants, which are available in the uniform shop. Other colours or types of trackpants are not uniform.

Q. Can other styles of pants/trousers be worn?

A. Senior students (Year 11 and 12) can wear plain black jeans. Students in all years can wear grey shorts or pants/trousers which are plain with no logos. Chinos, slim fit trousers are suitable. There are also girls' maroon trousers available at the uniform shop. Leggings or tights are not school uniform.
